INDEPENDENT AUDITORS' REPORT

The Board of Directors of
G. Select Securities, LLC

We have audited the accompanying statement of financial condition of G. Select Securities, LLC as of December 31, 2011. This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of financial condition is free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of financial condition. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall statement of financial condition presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the statement of financial condition referred to above presents fairly, in all material respects, the financial position of G. Select Securities, LLC as of December 31, 2011 in conformity with accounting principles generally accepted in the United States of America.

NOTES TO THE FINANCIAL STATEMENT

NOTE 1 - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Business and Organization

G. Select Securities, LLC (the "Company") was incorporated June 21, 2001 as Genesis Securities Corporation and subsequently changed its name to G. Select Securities, LLC. The Company operates as a securities broker-dealer limiting its activities to acting as a finder for business entities seeking additional capital through private arrangements with institutions and individual investors.

The Company does not hold customer securities or perform custodial functions relating to customer accounts, and therefore, is exempt from the possession and control requirements of Rule 15c3-3 under 15c3-3(k)(2)(i).

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

The Company has elected to depreciate its Ford Explorer over a sixty month period with zero salvage value using the straight line method. It has also elected to depreciate its computer equipment over a sixty month period with no salvage value using the straight line method.

Income Taxes

As a limited liability company, the Company reports as a partnership for income tax purposes. Accordingly, its members are responsible for any income taxes related to its net income.

The Company is required to determine whether a tax position is more likely than not to be sustained upon examination by the applicable taxing authority, including resolution of any tax related appeals or litigation processes, based on the technical merits of the position. The Company files an income tax return in the U.S. federal jurisdiction, and may file income tax returns in various U.S. states. The Company is not subject to income tax return examinations by major taxing authorities for years before 2008. The tax benefit recognized is measured as the largest amount of benefit that has a greater than fifty percent likelihood of being realized upon ultimate settlement. De-recognition of a tax benefit previously recognized results in the Company recording a tax liability that reduces net assets. However, the Company's conclusions regarding this policy may be subject to review and adjustment at a later date based on factors including, but not limited to, on-going analyses of and changes to tax laws, regulations and interpretations thereof. The Company recognizes interest accrued related to unrecognized tax benefits and penalties related to unrecognized tax benefits in income taxes payable, if assessed. No interest expense or penalties have been recognized as of and for the year ended December 31, 2011.

NOTES TO FINANCIAL STATEMENTS

(concluded)

NOTE 2 - NET CAPITAL REQUIREMENTS

Pursuant to the net capital provisions of Rule 15c3-1 of the Securities Exchange Act of 1934, the Company is required to maintain a minimum net capital, as defined under such provisions. At December 31, 2011, the Company had net capital and net capital requirements of \$220,153 and \$5,000, respectively. The Company's net capital ratio (aggregate indebtedness to net capital) was 0.03 to 1. According to Rule 15c3-1, the Company's net capital ratio shall not exceed 15 to 1.

NOTE 3 - RELATED PARTY TRANSACTIONS

The Company leases office space under a month to month arrangement from a related company based on the space it occupies. Office rent paid during the year ended December 31, 2011 was \$9,100. In addition, the Company pays the related company for office expenses including telephone and supplies based upon usage for the month.

NOTE 4 - CONTINGENCIES AND OFF-BALANCE SHEET RISK

The Company is engaged in various corporate financing activities with counterparties that primarily include issuers with which the Company has an investment banking assignment. In the event counterparties do not fulfill their obligations, the Company may be exposed to risk. The risk of default depends on the creditworthiness of the counterparty or issuer of the instrument. It is the Company's policy to review, as necessary, the credit standing of each counterparty with which it conducts business.

The Company's financial instruments including, cash, and accounts payable, are carried at amounts which approximate fair value due to the short-term nature of these instruments.

NOTE 5 - SUBSEQUENT EVENTS

The Company has performed an evaluation of subsequent events through the date the financial statements were issued. The evaluation did not result in any subsequent events that required disclosures and/or adjustments.
